CHESTERFIELD 4LI

Harmony

it's similar to harmony

With the same mechanisms and as comfortable as harmony

Just you can have quilted hands which makes it so beautiful and special in design.

CHESTERFIELD

Alexander single furniture has wooden handles made of beech and wick worked on the living room and the support has increased its beauty.

ALEXANDER

RETRO

Alexander furniture has two designs of three-seater sofa and single-seater brazier.

Alexander single furniture has wooden handles made of beech and wick worked on the living room and the support has increased its beauty.

Alexander triple design is in both striped and tactile stitching, which makes customers have a wider choice.

The furniture has a beech wood pedestal that is around the furniture with complete elegance. * The sofa insoles of Alexander furniture are double.

ALEXANDER

ALEXANDER

STATU

BAFFI STATU

The bases of the Statu model are inspired by a cat foot, and this has doubled its beauty. The front table of Statu furniture is the only folding table.

Furniture has design and industrial registration documents in the name of BAFFI company- The seat mattress of Statu model is detachable and double.

The furniture mattress is separated from the sofa and this makes it easy to remove it if it deforms after a few years and refers it to the factory without having to carry all the furniture.

The double mattress allows you to have two different models of seating (one side is now touch and the other side is buttoned)

STATU

NEW
COLLECTION

PICASSO

PICASSO

Picasso furniture has a very beautiful and original design. The design of this furniture has a beech structure.

The design originality of this furniture dates back to 70 years ago, when designers and engineers in BAFFI according to the needs of the people upgraded the design and adjusted the dimensions and minimized the style in it; so turned it into a unique model for residential houses.

Furniture has design and industrial registration documents (called BAFFI company).

- Different design of one seater sofa and the beauty of its Napoleonic originality, which is available in two forms: lathe base and simple base is positive points of this model.

RAFAEL

GRANT

BAFFI GRANT

Has a similar design for 3 and 2 persons sofas and has two types of single-person design

Bases inspired by cat-like Statue model This model has a dining set With beautiful handles design and dimensions suitable for people who care about the dimensions of the furniture

In the design part, there is no exaggeration and simple design makes it comfortable and also classy

JACKSON

intelligent furniture

Anybody should feel relieved whenever they enter into home. They should remove all unnecessary clothes that they have put on their bodies and they should bring the comfort of their souls to the comfort of the day and they should allow the colors of their souls to be liberally reflected again free from all outdoor identities.

creative

Living room

River furniture has a structure of wood and metal. The metal used in this furniture model is related to the back mechanism of the furniture. Furniture bases have a minimal and simple design.

- Furniture has design and industrial registration documents (in the name of BAFFI company- Single furniture with the same mechanism as the sofa - with a single living mattress that is more comfortable and soft. - Furniture mechanisms provide two seating modes (silent mode - standard seating mode) - The three-seater and two-seater sofa has handles with appropriate dimensions, which makes it not take up much space. - By opening all the mechanisms of the furniture, it can also be turned into a bed.

-Single River has a mechanism in the support area so that it independently has the same mechanism that is on the couch

DAVINCI

Da Vinci furniture has a very modern - comfort - classic design. It has beech and metal structure, a three-seater and a single sofa design. The furniture bases are modeled on Mouflon legs, which has given it a remarkable beauty.

Positive and significant points:

Furniture has design and industrial registration documents (in the name of BAFFI company).

Da Vinci furniture has a folding mechanism so that the whole body of the furniture is fixed but the sitting area becomes wider and with the opening of the mechanism, it gives the position of a comfortable bed.

Da Vinci furniture has long and beautiful supports that make the view with both comfort and classic themes.
